Supplier's Night & Auction - WOW!! - What a Night

Thanks to everyone, again, for all your support for our Supplier's Night & Auction. As mentioned in an earlier e-mail, we had a very profitable evening! A huge thank you to Hadi Abassi. He gave up his evening to be our auctioneer, and what an entertaining and profitable auctioneer he was. I told him he had a job for ever more. I would also like to thank all the table sponsors, we had a great assortment of products on display. Thanks to all that helped me during the day and also throughout the evening, you made my job much easier. Now we move on to the golf tournament.

CHBA LOGOS

Several members recently have asked if they can use the CHBA logo. The association would like to remind members that yes, definitely they can, and should use the logo wherever and whenever possible. It is one of the benefits of being a member. I can e-mail the logo to anyone who would like it. We also have decals available free of charge that go on the outside or inside of your vehicle/office windows. You can purchase these decals at the office or at the general membership meetings. Also, watch for the "new" National logo coming out soon.
